ANTIOCH G.S. Board Speak Of New Tax Referendum

The Antioch Grade School Board at its monthly meeting, on Oct. 19th, raised the possibility of a tax referendum, perhaps early next year.

During the meeting the Board directed Mr. Henry Meyer, School District Superintendent, to make a study of school expenses and the priority needs of school education.

The study, according to Meyer, is a two phase attempt to probe the causes of deficit spending, which has plagued the Grade School District recently.

Meyer is charged with the task of appraising the cost of local education if the schools continue to operate at optimum level of service and to find out what services will have to be curtailed or dropped if the district is to function using only the current tax level.

According to Meyer, District 34 has experienced a growth of 48% in enrollment since 1968. But while enrollments have risen funds have not. According to statistics, the school board formerly spent approximately \$400 per pupil for the school year, but now can allot only \$280 because the tax level has not matched the increased need for services.

On June 30th, 1970, District 34 was \$60,994 in the red in the Building and

Maintenance Fund. One year later the figure had almost doubled to \$118,928. The Board anticipates another deficit of \$59,800 for the 1971-72 school year, making a total deficit of \$178,728.

While there is a distinction between the three major funding areas (Education, Building and Maintenance and transportation), all are in need of swift assistance.

The deficit in the Building and Maintenance Fund is misleading. On the surface it would appear that the new facilities erected for the upper grade school are the cause, but the problem lies in the increases in personnel salaries, building insurance costs and increases in utility rates and custodial supplies.

The Board had presented a tax referendum to the public on Sept. 18th, which would have provided tax relief to the Building and Maintenance Fund. However, the proposal was defeated by a 2-1 margin.

Meyer expressed disappointment that the voters turned out in such extremely small numbers, with only 20% of the eligible voters casting ballots.

He expressed the hope that the study could be completed in time to be presented at next month's board meeting.

Motorists Care For The Kids

Excited children in pursuit of Halloween treats may trick themselves into potentially dangerous pedestrian behavior advises the Chicago Motor Club-AAA. Motorists are alerted to exercise special care when young "trick and treaters" are near the road.

Masks and costumes may obstruct the child's vision and the colors of the costumes may be difficult to see clearly at night.

Motorists and parents should also keep in mind that Daylight Saving Time arrives this year on Halloween, Sunday, October 31, at 2 a.m. The earlier darkness can create an additional hazard for both children and drivers.

The following precautions can help safeguard children and avoid accidents:

- Include something white in children's costumes to assure easy sight after dark.
- Instruct children to walk facing traffic in areas without sidewalks.
- Remind youngsters to cross only at crosswalks and to observe all traffic signals and signs.
- Substitute make-up for masks if possible. In any case, be certain vision is not obstructed.
- Parents should escort the very young or send an older child along.

CHICAGO CUBS AND ACHS FACULTY TO HOLD BENEFIT BASKETBALL GAME

The Antioch High School Lettermen's Club and the High School Parent-Teachers Association are co-sponsoring the Chicago Cubs Basketball team in a benefit basketball game. The game will be November 11, 1971 at 7:30 p.m. in the Antioch High School new gym facility.

Some of the members of the Chicago Cubs team are Billy Williams, Ron Santo, Glen Beckert, Fergie Jenkins, Don Kessinger, Paul Popovich, and Ken Holtzman. There will be others. After the game is over, the Chicago Cub players will remain in the gym for the signing of autographs.

The opponents of the Chicago Cubs will be members of the high school faculty.

The new gym facility will be used. This will be the first time the people of the community can see this excellent facility in operation. It will be a wonderful opportunity for the community to get acquainted with their new school plant.

The proceeds from this benefit game will go for student scholarships and the purchase of equipment to be used by the students of our community. Your help will be greatly appreciated.

Tickets are on sale at the high school and various outlets in Antioch and Lake Villa. Also, members of the "A" Club and P.T.A. have tickets for sale. The price of the tickets is \$2.00. Tickets can be purchased at the gate as well.

High School Workers Seek Wage Settlement

The High School Board at its monthly meeting, on Wednesday, October 20th, was confronted by representatives of two groups from Antioch High School in regard to wage settlements.

The two were: Mr. Porter Larsen, representing the custodians and the bus drivers and Mrs. Bernice Gelden, a delegate for the kitchen staff. The two groups have been working without a wage settlement since August 31st.

Larsen expressed disappointment that his group had to approach the board rather than being contacted by them. It appeared that the board would first settle with teachers and then bargain with the non-certified help.

Mr. Robert Lindblad, chairman of the board's Welfare committee, told the groups that he would set a date at which time the two groups could iron out their differences.

S.O.S. November 7

Sixty members of the Antioch Lions Club have volunteered to staff the two shifts of the "Save Our Sight" vision screening program which will be offered to the public on Sunday, November 7th, at the Antioch High School. The vision screening program will be free and is available to all persons in the greater Antioch area, including Southern Wisconsin. Testing hours will be from 10:00 a.m. to 4:00 p.m.

The Antioch Lions Club is the sponsoring organization. Lions will administer several vision tests which will include checks for vision problems

such as; near and far acuity (clearness of vision), muscle balance or eye teaming, hyperopia, stereopsis, near accommodation, color perception and field of vision. A glaucoma (eye pressure) test will also be conducted.

Special equipment for these vision tests will be brought into Antioch by the Vision Conservation Institute. Mr. Fred Marvin, Executive Secretary of the Vision Conservation Institute will brief the Lion's members on how to administer the vision tests.

Lion Earl Stringer, Chairman of the "S.O.S." program stated

Project Red Ball Underway

The Antioch Rotary Club in conjunction with the Village fire department is currently sponsoring PROJECT RED BALL. The project's aim is the distribution and display of small circular red decals. In the event of fire these decals will alert firemen to the location of the bedrooms of small children. The firemen will attempt to save the children first. In a fire situation, children are the most likely to become confused and disoriented by smoke and excitement.

that the vision screening tests will be supervised by doctors from the Lake County Optometric Society. "Only the doctors will administer the glaucoma eye pressure test. These tests will be simple to take and will not require much time. Persons of all ages from 3 to 100 are urged to take the sight screening tests", Stringer added.

Dick Daniel, President of the Antioch Lions Club, said that he hoped for a large turnout for the "Save Our Sight" clinic. "It is our hope that two thousand or more Antioch area people will avail themselves of this free opportunity to have their vision checked."

Persons having unsatisfactory checks in the screening will be referred to an eye doctor of their choice for examination and diagnosis.

Signs Assist Disabled In Case Of Fire

The Antioch Village Fire Department is continuing their policy of providing the homes of disabled persons with special warning signs. The signs contain a large red cross with a white bold face "I" in the center to denote the presence of an invalid.

The signs are prominently displayed at the front and on the bedroom windows of the home. In the case of a call, firemen would go directly to the bedroom to assist the disabled person first.

Mail Early

EDITORIAL

The Bike is A Dangerous Vehicle

The story could read something like this; Bobby Smith, son of Mr. and Mrs. John Smith of Antioch was killed yesterday in front of his home, when he was struck by a passing car. Bobby was riding his bicycle when he darted out into the street and was struck.

A sad story, even if it is only make believe, and yet all you have to do is drive down any number of streets in Antioch on any day and see this story about to take place. Within the past week I was following another driver down one of our side streets when a small child on a bicycle rode directly in front of the car ahead of me. The child did not look nor was he old enough to have good control over the bicycle. If it had not been for the very alert driver that child could have been the "Bobby Smith" in our story.

The alarming thing about the incident was that the child did not seem to be aware that he almost was hit, in fact I do not believe he knew he had done something wrong.

We can make laws that control the drivers on our streets, and we can print booklets and posters that tell children how they should ride a bicycle or walk the streets. In fact there are many many federal, state and local bodies doing everything they can to help protect our children. The only thing that can not be done is to force the parents to train and educate their children to take care of themselves while riding or walking the streets. No matter how many laws are passed and booklets printed; until the parents assume the responsibility, nothing can be done to correct our ever increasing problem of children playing in the streets.

Many parents in Antioch have done the job, but there are a number of parents who would be very wise to check the actions of their children in the streets and see to it that someday their child does not become the "Bobby Smith" in our story.

Don't assume your child knows the proper way of walking or riding on the road, we are not born with this knowledge, it must be taught and ingrained in the child by the parents.

Although our community is small, it does not mean that the streets are safe enough to be used for play yard. The streets should not be put to such use. Most homes in Antioch have enough yard area for play and I see no reason for a child to play in the street at anytime. We cannot expect our police department to take care of our children, this is our responsibility as parents. Teach YOUR child to use the streets as they were intended; to travel from one point to another and save a child's life, it may be your own. You can always replace grass, but you can't replace your child!

EDUCATION — GOOD OR EXPENSIVE ?

Are we, here in Antioch, confusing a good education, with an expensive education?

We have spent tremendous amounts of money for a beautiful building. This building is as modern as we can go. It has Electric Heat and Air Conditioning, a fantastic Library Learning Center, and practically no TEXT BOOKS. We have Audio Visual Aids, Tapes, Films, Cassetts, and yet we can not afford to buy TEXT BOOKS. The P. E. department is talking about having Golf, Archery, and Bowling, but the money is not there to purchase enough books so that each child can have his own. We seem to have the funds to present culture, in the form of French Club, Spanish Club, Bridge Club, Chess Club, Arts Club, Craft Club, Photography Club, and numerous others, but the children must leave the TEXT BOOKS in the desk for the next class to use, because that's all the books we have.

Our children are in school for seven hours each day. The State of Illinois requires only five. This required Cultures is lengthening their day needlessly while their basic education is being neglected so that the money can go elsewhere. Many people, and

the teachers especially, will tell us that we can not afford these things because we turned down their referendum for more money. I contend that if the money was spent on necessities instead of the fancy trimmings that we would have plenty to go around.

Why is it necessary for so many secretaries? Mr. Core has one. I don't even know why it is necessary to have Mr. Core. He did not provide any one with a bus schedule. We had to guess what time the busses came. Why must there be one for Mr. Herbst and one for Mr. Meyer? Surely they could share one. Why must there be one for the Librarian? Does she have so much correspondence that she can not handle it herself, and for what purpose does the school nurse need a secretary? Surely the money used to pay these people could be used to buy books.

Lets get our heads out of the clouds and back down to Earth. The money in our Education Fund should be channeled back to education.

Interested parents please contact your school and see for yourself. It's your children that are being deprived of an Education in favor of a beautiful building and "Culture". I for one do not need a Chess playing, Bridge playing, French and Spanish speaking illiterate as a child. How do you feel?

Joan M. Barnes

Our Congressman

LUNCH PROGRAM REVISED

The federal school lunch program was rescued recently by the U. S. Congress, following a well intentioned, but ill-conceived Department of Agriculture plan.

The plan would have deprived more than one million children of free or reduced lunch prices that they had previously received, by establishing a nation wide

poverty level of \$3,940, for a family of four.

Under the measure adopted by the House and concurred in by the Senate, states may autonomously establish eligibility standards and budget to prepare for feeding needy children within their school districts.

More than three million children are included in the new program, which will cost \$700 million in contrast to last year's \$535 million appropriation.

Toft Has New Office Hours

Village Mayor, Raymond Toft, announced his new office hours on Saturday at the October 19th Village Board meeting.

The Mayor will be available from 9:00 a.m. until noon, by appointment, which can be made by contacting a Village Official.

Letters to the Editor on any current issues are welcome. Only letters with names can be considered for this column. Signatures will be withheld on request. Letters cannot be returned and are subject to minor editing.

Esteemed Sr.

I received your letter of the 4th of the month in course, and the copy of the periodical "Antioch News" with the article that you wrote on the occasion of the celebration of the Sesquicentennial of our independence.

I give you my thanks for your attention, and I request you give greetings from me to the teacher Mr. MacLean.

Sending Cordial greetings,
Jose Figueres Ferrer
President of the Republic

(ed. Note. An article that was written by Julio Sanchez, A.F.S. student at Antioch H. S. and appeared in the September 29th, issue of the Antioch News was printed in Costa Rica's largest newspaper, LA NACION (The Nation)).

Dear Mr. and Mrs. Rush:

Here is the receipt requested by Millie Gaston. I have many recipes but if ever I am looking for a special one it's nice to know where I'll be able to turn to.

Very nice idea, that receipt exchange. The paper is grand and your new ideas for it are very pleasing.

Jeanne Reed

A PROCLAMATION

Whereas, The schools represent the best efforts of the community, the state, and the nation to improve the quality of life for each individual and for all mankind; and

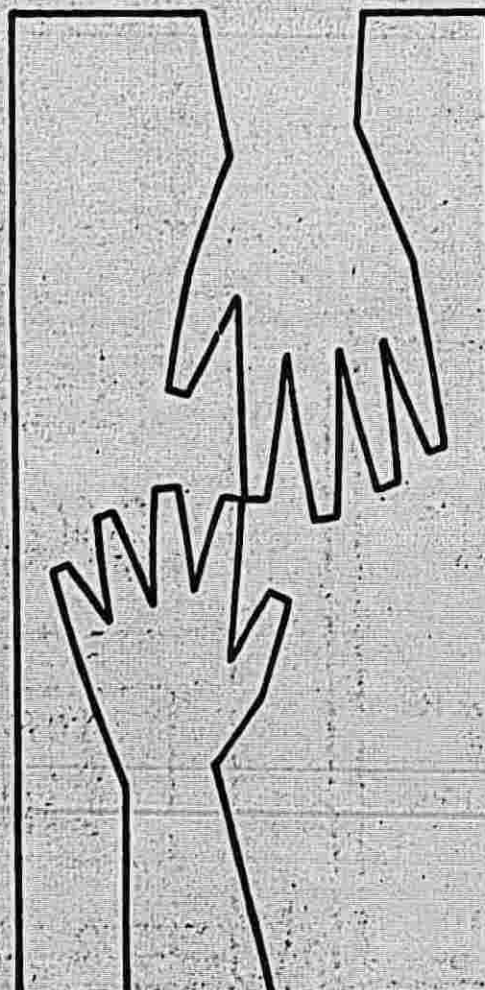

Whereas, Each citizen, in order to contribute to such efforts, must have an opportunity to learn about and understand the progress, problems, and potential of the schools; and

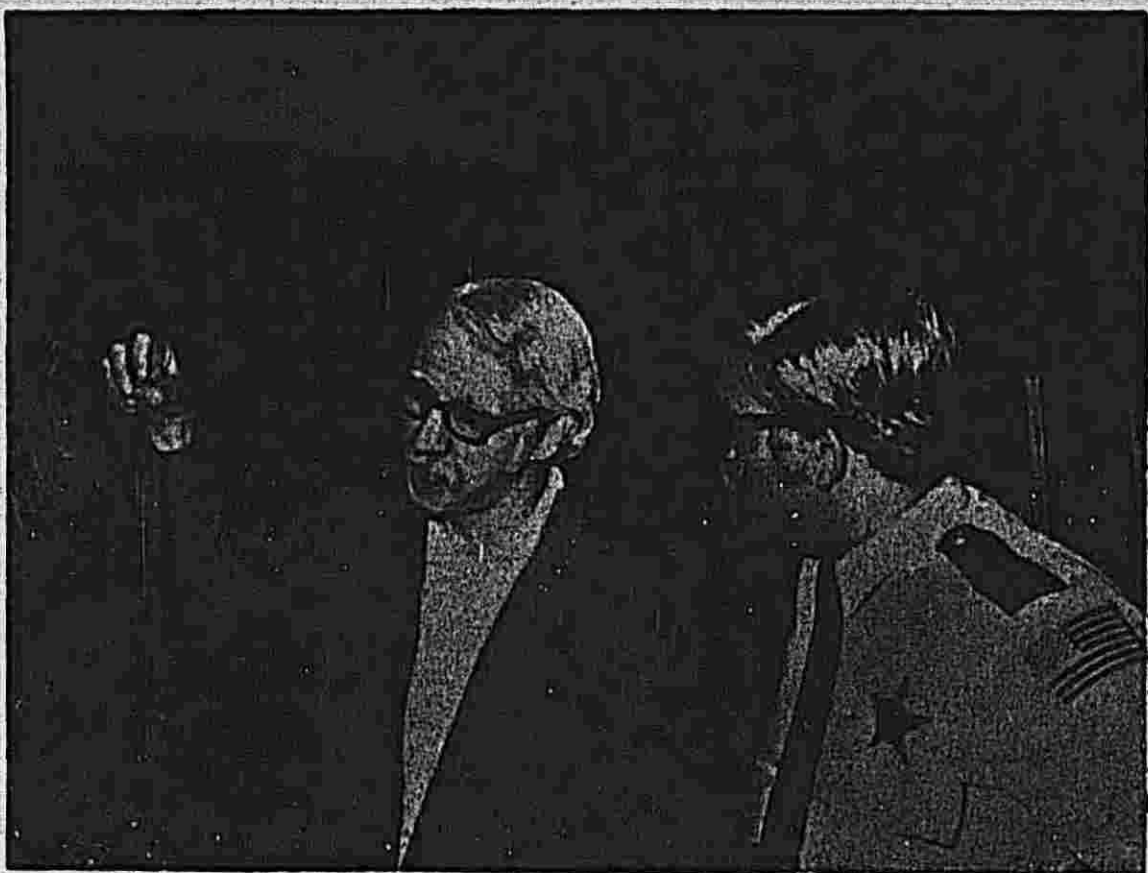

Whereas, The public schools constantly strive to bridge the gaps that threaten the unity and strength of the nation, by promoting --

- o Understanding of the diverse ideas that lend vigor to our pluralistic society;
- o Realization for each person of his unique worth and capabilities;
- o Opportunities for the development of each student's talents and character to enable him to determine his goals and to find fulfillment in reaching them;
- o The preservation, as a paramount priority, of an environment that enriches the life of every human being and that supports the individual in his quest for satisfaction in worthy endeavors.

Now, Therefore, I, Raymond P. Toft of Antioch (city) do hereby designate October 24-30,

1971, to be American Education Week and do urge all citizens to reaffirm their commitment to examine our schools and assist them in bridging the gap between what is and what can be in the process of providing the best possible education for all.

("L to R") Tom Hausman of Fox Lake (Solomon) in "The Price" indicates to Nick Baldassano of Lake Villa (Victor) that the furniture is too wide.

"The Price"

THE PRICE written by Arthur Miller and directed by Gerald Pettera. Joe Hunley, in his introduction, humorously said "Well, strip my gears and call me shiftless". Perhaps, Joe, unintentionally, was evaluating and summarizing the play. "The Price" never seemed to get out of first gear as if the gears of dialogue were actually stripped. Without a doubt, Arthur Miller follows his traditional expressions of the word. The dialogue is certainly psychedelic to the ear - dressed and colored to challenge the best in profane adeptness. This was the only color in the dialogue. Victor, in his monotone and lethargic manner, and Esther, in her persistent yet martyr like way, do not enhance the script.

The satire on the realities of life was obvious. The satire

would have been more delightful and entertaining with additional voice inflections and emphasis by Victor and Esther.

Thank God for the appearance of the old merchant, schooled in Hebrew bartering, for "The Price" was near catastrophe. Soloman definitely walks away with the 'Oscar', the supporting actor, and the savior of "The Price".

The fourth actor - the doctor - could have used the services of a doctor the night of the 23rd of October. Walter was absent due to sickness.

The old "78" laughing record broke the solemn faces of the audience to begin the production. The same old "78" had the audience leaving with a smile at the Finale.

by Chuck Becker

With the face of the town changing and being altered, it will be no surprise to see Ron Taylor in the thick of things.

Ron, 26, is the owner of the TOT SHOP and deals in infants and children's wear. However, he doesn't limit himself to being a good businessman and citizen. He also deals in ideas.

The army veteran and member of the Chamber of Commerce, is trying to change the image of Antioch. Ron feels that the town is ready for newsideas and that the time for change is now.

With 12 years experience in the retail sales field, he has seen trends, styles and tastes change, but he feels that change is much more desirable than excessive caution.

His store sets the mood that he is trying to foster in the rest of the downtown merchants. New and vibrant ideas must be used to revitalize the image of Antioch's business district.

Ron has erected a new front on the store he has owned for nearly a year and a half, which makes use of attractive wood

Ron Taylor

finish and eye-catching paint combinations. Having remodeled his first floor, in contemporary taste, Ron set out to take advantage of unused basement space.

In keeping with his youthful slant toward business, Ron uses his spare time to follow a pastime not usually connected with infant and juvenile wear.

On Sundays, Ron can be found challenging steep embankments, treacherous hair-pin turns and teeth rattling jumps and dives. He is the current president of the North Central Competition Riders.

His group competes in

European style Moto-Cross races. Moto-Cross to motorcycles is roughly comparable to demolition derby for imported cars. While the motorcycle was designed for moderate horizontal travel, Ron and many others like him can be seen occasionally ten feet in the air or out of sight in a steep ravine, negotiating terrain that was meant for only mountain goats.

While his name is usually there along with the top ten finishers, Ron is basically there because he likes the feel of competition and the demands, both physical and emotional, of this strenuous sport.

Helper Mrs. Lahti is helping with the Pumpkin Painting for Den No. 5 of Pack 86 Cub Scouts.

Members of Den 4 and 5, Pack 86 of Antioch, are presently adding color to an already vivid landscape by creating Halloween decorations. The decorations include carved and painted Jack 'O' Lanterns and yarn centerpieces.

Mrs. O'Conner and Mrs. Hucker, the Den Mothers, said that the Jack 'O' Lanterns and the centerpieces will be displayed at the next Pack

meeting on Wednesday, October 27th, at 7:00 p.m., at the Channel Lake School.

Members of Den 5 are: Lee Quirk, Dan Purfeerst, Kirk Sarmont, Doug O'Conner, Doug Niemi, Jeff and Jim Andres and Kurt Larsen.

Members of Den 4 are: Tim Conklin, Mike Bailey, Jeff Marquissen, David Miles, Dan Hucker, Bobby Rudolph, Rich Rodgers and Weblos helper Donnie Behrens.

Along the Way with

Annie Mae

Girl Scout Troop No. 144 won't forget this past rainy week-end for awhile. They spent the week-end at Camp Morrison with their leader MRS. MARILYN ZIMMERMAN and her assistant, SHIRLEY KASIK. The girls even hiked 4 miles on foot. A State trooper thought the girls were in trouble, as who would BELIEVE they were hiking in all that rain!!!!

Keep your ears open for that special announcement from the "COTILLION COMMITTEE". A beautiful evening is being planned for sometime in April.

Get well wishes to Dan Lightsey who is in Victory Memorial Hospital.

Get well wishes go to ESTER DUNWORTH and KEN RENTNER. Ken is in St. Clare Hospital, 515 - 22nd Avenue, Monroe, Wisconsin 53566 and we are sure would appreciate a bit of mail to help let him know his friends are thinking about him.

Girl Scout troop No. 134 took a bike hike on Monday to the Abbey for the day. 23 girls and 5 adults left the Scout House at 11 a.m. to return about 3 p.m. Wonder how many "charlie horses" the adults had after that jaunt. But it is worth the fresh air and fun. The weather finally did cooperate.

Our condolences to the family of MR. JOHN ROBERTS of Hillside Ave, Antioch who passed away Saturday at his home. They have lived here in Antioch only a few years.

A surprise baby shower was given last Sunday evening by GAIL FIELDS and BOBBIE ROWAN, for CATHY HALEY. 24 guests came out in the foggy evening weather to present Cathy with many lovely gifts for her new addition. (due in Nov.)

Happy birthday to: BERNARD GUTOWSKI, SR. on October 26, JAMES GUTOWSKI on October 30, and PEGGY VAN PATTEN also on October 30.

Allen Murrie and Lynnette Bratske celebrated their birthdays this past Saturday.

A belated happy 50th Anniversary to Roy Nelson's parents. MR and MRS VICTOR NELSON who live in Kenosha celebrated at a family gathering on Sunday October 24. Also a loving happy 38th anniversary, today, October 27th to WALLY and BEULAH ANDERSON.

Hear tell - HEATHER PETTY is enjoying her first year at Carthage College.

Bob and Trudy Mann just returned from a lovely two week visit with their daughter Fay and family in Haddam, Conn.

Mr. and Mrs. A. G. Simon here from Sunland, California spent two weeks in Antioch visiting old friends and combining business and pleasure. Mr. Simon spent some time at Pickard, Inc., while he was here.

The new year will be seeing EVELYN and ED STRANG in their new home. Ground was broken recently----

Don't forget to turn your clock BACK this Sunday A.M.....

Watch out for all the little goblins who will be out "trick or treating" from 3 p.m. till 8 p.m., Sunday.....

This is the last week-end for "THE PRICE" at PM&L theatre. Lets all support our local talents.

on my way,

Annie Mae

THE ANTIOCH NEWS Page 5

Antioch Woman's Club Receives Award

The regular meeting of the Antioch Woman's Club was held at the Scout House on October 18. Members were informed that the Woman's Club had been awarded a Certificate of Recognition for voluntary service to patients at Downey Hospital. Mrs. Marion Pechousek and Mrs. A.H. Kaufmann are Co-chairmen of the Rehabilitation Committee.

This year the Antioch Woman's Club will be sponsoring the March of Dimes drive in January. More information will be available later.

A plea was made for paper-back books to be sent to Downey. Any one who has books to donate may bring them to the Antioch Public Library.

Everyone thoroughly

enjoyed the excellent book review by Mrs. W.C. Petty of "The Lone Woman" by Dorothy Clark Wilson. This is the biography of the first woman doctor in the United States. Many innovations in medicine and surgery may be credited to the initiative and untiring efforts of this great woman.

Refreshments were served by Mrs. James Kopriva and her Hostess Committee, the decorative theme was fall mushrooms.

NEWCOMERS CLUB TO MEET

The Welcome Wagon Newcomers Club invites all new residents to meet on November 3, 1971 at 8:00 p.m. The meeting will be held at the Antioch Savings and Loan in the Recreation Room in the lower level. Use the rear door.

For further information please call: 395-3975 or 395-0282.

Antioch optometrist Dr. Albert A. Buchar, right, past president of the Illinois Optometric Association, greets Lt. Gov. Paul Simon at group's 64th annual convention in Springfield earlier this month. Dr. Buchar, who practices at 395 Orchard, was one of 350 state optometrists to attend the annual fete.

Sift together in bowl

2½ Cups flour, sifted
¼ cup Sugar

½ teaspoon salt

Cut in ¼ cup butter or margarine until particles are size of small peas. Sprinkle 5 to 6 tablespoons of cream (sweet or sour) over mixture tossing lightly with fork until dough is moist enough to hold together. Divide dough. Roll out 15" x 10" rectangle on waxed paper. Turn over onto ungreased jelly roll pan. Bake 350 degree oven for 15 minutes.

Prepare Apple filling to suit your taste. Spread on baked crust.

Roll out remaining dough and turn over on filling. Brush with slightly beaten egg and sprinkle with sugar.

Bake 400 degree oven 25 to 30 minutes until golden brown. Cool slightly and cut into 3" x 1½" rectangles.

DO YOU HAVE A RECIPE? for "Cranberry Bread"? Please send it in to us for Millie Gaston and you may request a recipe that you have been looking for. For a recipe turned in one may be asked for in return. Make this your column!

POTATO CHIP COOKIES

by Jeanne Reed

1 cup margarine
1 egg yolk, mixed with
2 tablespoons water
½ cup chopped nuts
1 teas. vanilla

½ cup sugar
1½ cups flour

½ cup crushed potato chips

Cream margarine and sugar. Add egg yolks, blend. Add flour gradually and blend well by spoon. Add rest of ingredients and mix. Drop dough 2 inches apart on a sprayed or greased cookie sheet and press down with a glass dipped in Confectioners sugar. Bake about 15 minutes or until lightly brown around edges. Bake in 350 degree oven.

OUR TOWN at ACHS

OUR TOWN, Thornton Wilder's beloved American play, will be presented by the drama division of Antioch Community High School's Fine Arts Department on Friday and Saturday, November 5 and 6 in the high school auditorium. Curtain time for the production is 8 p.m.

Featured in leading roles in OUR TOWN are Mike Ament as the Stage Manager, Dave Oelerich and Elda Minger as George and Emily. Betty Waters and Steve Albright play the parents of George, and

Shari Prang and Ken Boucos portray the parents of Emily. Also featured in the play are Connie Wiecezorek as Rebecca, Tom Craner as Professor Willard, Don Barlow as Simon Stimson and Joanne Apostol as Mrs. Soames.

OUR TOWN is being produced not only for the community but also as part of a study project by the English III classes at the high school.

The play is directed by Ken Smouse and stage managed by Kim Shkapich.

FELGER NAMED SUPERINTENDENT

Mr. Jack Felger, formerly Business Manager at Antioch High School, was officially appointed School Superintendent of Highwood-Highland Park Elementary School District No. 111 effective Nov. 1st. He has held the position of Interim Superintendent since June.

The district is comprised of two elementary schools and a junior high school, with an enrollment of 1600 pupils.

Prior to his service in Antioch, Felger was the Assistant Superintendent of the Warsaw, Indiana Grade School District and held a similar position in Indianapolis, Indiana for seventeen years.

"Homemakers Magic" Is Theme

On Wednesday, November 3rd, the Lake County Homemakers Extension Association will hold a Homemaking Arts Show at the fairgrounds, in Grayslake.

The annual educational show, "Homemakers Magic", will be open from 10:00 a.m. until 9:00 p.m., with units from all over the county displaying and demonstrating many craft innovations, including macrame, needlepoint, bead necklaces and many others.

The local Lake Region unit will entitle their booth "Around the Clock". Featured will be ecological Christmas decorations, making use of light bulbs, plastic and spools that would usually be thrown away. Along with the ecological exhibit will be baked goods, pressed flower cards and stationary, party favors and homemade Christmas wrap.

President of the group, Ann Connors, said that the group would "do their own thing" in coming up with ideas.

Instructions on how to construct the crafts and samples will be available at a reasonable price. Admission is 50 cents for adults and 25 cents for students over 12.

WOMAN'S CLUB TO MEET NOVEMBER 1ST

The next regular meeting of the Antioch Woman's Club will be on November 1st at 1:00 p.m. at the Scout House. Members and their guests will be entertained by a most interesting personality - Miss Rosemary Sutz. Miss Sutz is a graduate of Roosevelt School of Music in Chicago.

Miss Sutz is very versatile - a vocal artist, pianist and dramatist. She sings in many foreign languages. Her program includes Broadway musical hits and American and foreign folk songs.

Miss Sutz has appeared with "Skitch" Henderson and in many prominent supper clubs across the U.S. You will be assured of an afternoon of superb entertainment.

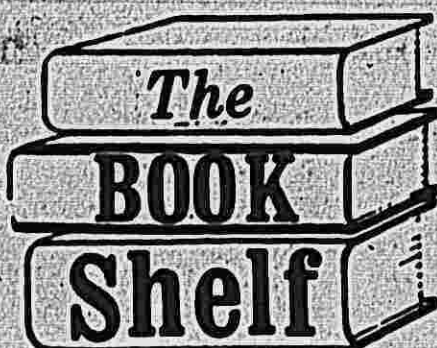

MRS. ROSE KING PASSES AWAY

Mrs. Rose King, sister of the late Henry A. Mau, passed away on October 25th of a lingering heart disease in Lake Geneva, Wisconsin.

Services will be held Saturday, October 30th at the Zenda Wisconsin Church.

Survivors are 2 daughters, Grace Lee and Dorothy Hammer, 6 grandchildren and 16 great grandchildren.

Mrs. King and her husband had a summer cottage in the area for many years.

O'NEILL — DURLING

Ruth Ellen O'Neill, daughter of Mr. and Mrs. John O'Neill and Gary Lewis Durling, son of Mr. and Mrs. Harold Durling were married in St. Peter's Catholic Church in Antioch on Saturday October 2nd at a 3:30 p.m. ceremony. The couple were joined by a double ring service.

The Matron of Honor was the bride's sister, Sharon Kuesk and Richard Lewis was the best man.

Bridesmaids were: Kristine Murphy, Gail Hospodar,

Marguerite Kiesel, the bride's sister, Greta Lewis and Darlene Havert, a sister of the groom.

Groomsmen were: Robert Carter, Richard Miller, Tom Havert, a brother in law, Chet Possom and Tim O'Neill, the brother of the bride.

The groom is a graduate of Grayslake Community High School. The bride attended Antioch Community High School and is a graduate of Northern Illinois University.

The reception for the newlyweds was held at Memorial Post 4308 of the V.F.W. in Lake Villa.

REAM — MUNCH

On Saturday, September 25th, Susan R. Ream, daughter of Mr. and Mrs. N. F. Ream and Richard W. Munch son of Mr. and Mrs. Clarence Munch were married with a double ring ceremony by the Rev. Alfred Henderson at St. Peter's Catholic Church in Antioch.

The bride wore a floor length gown of white bridal taffeta and lace with a portrait neckline and long bridal point sleeves. Her headpiece was fashioned of lace petals with attached pearls.

The Maid of honor was Gail Gibbons, a friend of the bride. Paul Wrubleski, friend of the groom was best man, while Carol Janke, the groom's niece was the flower girl.

The groom attended Richmond Burton High School and the bride attended Antioch Community High School.

The reception was held at the St. Peter's Social center.

Following a short honeymoon in Delevan, Wisconsin, the Munchs' will reside in Antioch.

Holiday Park

Located along winding Route 134 just 1/2 mile east of busy Route 12 is a haven for the ski-buff, the connoisseur and the family with a robust appetite - Holiday Park.

Situated on 100 acres of rolling recreational land, Holiday Park is also well suited to the discriminating tastes of those well schooled in the art of having fun. George Watson, owner of Holiday Park, can well be proud of the mecca he has created.

Holiday Park features a spacious dining room which serves the very finest in culinary offerings, foreign and domestic wines and tempts the adventurous to sample the smorgasbord. The oversize windows provide an excellent view of the exquisite landscape.

Once you have wandered on the grounds you will understand the attraction that has sparked even the indolent. For, the property is supplied with many attractions sure to beckon you on.

In the summer Wooster and Bruce Lakes are filled with swimmers, while others roam the grounds to picnic or to enjoy the carnival-like features.

During the winter months, the action is just a few steps from the main building at the 200 foot vertical cliff and the 1300 foot horizontal hill calls you to challenge one of its six ski-runs. A large ice skating rink is also close at hand.

But if the out-of-doors is not to your liking, you can while away many a happy hour at the lounge, which features the Dandees, on Friday and Saturday evenings. This well talented group plays a wide variety of music for your listening pleasure.

Whether it be winter or any of the seasons, Holiday Park is a journey that once taken will be repeated with delighted anticipation.

PLANNING

COMMISSION TO MEET

A meeting of the Plan Commission of the Village of Antioch will be held at 7:30 P.M. on October 29, 1971 for the purpose of Plan Consultant Interview. The following

members of the Lake County Regional Plan Commission will be present:

Gene Horne, Trustee and Resident of Village of Lindenhurst

Larry Sweda, Authority on Community Planning Information

Wayne Solonen, Resident of the Village of Antioch.

American Legion Auxiliary News

A gala evening is in store for Past Commanders and their wives; Past Presidents and their husbands of the 10th District American Legion and the Auxiliary; when the Lake County Past Commanders' Club will hold their annual Fall party at the Lake Regions' American Legion Home in Fox Lake, on October 30th, with cocktails from 6:30 p.m. to 7:30 p.m., when dinner will be served.

According to William Schultz, North Chicago, President of the Past Commanders' Club, there will be a choice beef and chicken buffet dinner. Afterwards, entertainment will be provided by "King and Zerita Mentalists". Few acts can equal the work of King and Zerita, whose demonstration of thought transference is packed with humor, lightning speed and remarkable ability which has baffled the keenest minds in the fields of mental science. It is also of great fun and excitement for everyone!

Past Presidents should contact Mrs. Ray Rathmann, Junior Past President of the Antioch American Legion Auxiliary, regarding their reservations for this dinner party.

American Legion Auxiliary members are again asked "Have you been 'clipping and snipping' labels, coupons, stamps?" This coupon program, although it might seem a small operation on the Unit level, gathers tremendous proportions when the members total accumulation of coupons, labels, etc., go from the district to the division to the state level. With over 73,000 Auxiliary members in the state, much has already been accomplished with the funds derived from bottle caps, box tops, etc. Mrs. Leo Dussault, Round Lake, 10th District Coupon Chairman, states that in the past the coupon program furthered the children and youth and community service programs. It monetarily aided the mentally and physically

handicapped child, bought equipment for the Chicago Burn Center, and other community service projects.

This year, however, the emphasis will be on providing additional scholarships through the existing Auxiliary Loan, Education and Scholarship program.

"Last year" Mrs. Dussault continues, "the coupon program helped considerably in the purchase of a badly needed \$14,000.00 ambulance to transport elderly patients from a nursing home to a nearby hospital."

All unit members and friends are urged to keep collecting and saving all redeemable coupons from the various premium products.

Through the collection of various dog food labels, the American Legion Auxiliary is also able to furnish seeing-eye dogs for blind veterans. Ten thousand labels are needed to obtain just one such dog. Cash value of this amount of coupons is approximately \$1,500.00. This sum includes three month's training of the dog, four week's training of the dog master team; round trip transportation to and from the student's home; and room and board during the training period.

Many seeing eye dogs have been provided through the redemption of these dog labels by the American Legion Auxiliary. All dog food labels go directly to the Pilot Dog Foundation from the coupon chairman.

All Units would welcome redeemable coupons contributed by members and friends. For any further information, please contact Mrs. Ralph Fields, coupon chairman for the Antioch American Legion auxiliary No. 748.

SOCIAL NOTES

by Del Janheke

F. A. Swenson, Deep Lake Road, is slowly convalescing at home after his second eye cataract surgery, which took place at Victory Memorial Hospital in Waukegan, September 28th. Cheerful "get well" wishes should speed his recovery!

Mrs. Charles Ferris, District President, and Mrs. Walter Buchert, District Secretary, represented the Lakeside Rebekah Lodge of Antioch, at the 87th annual session of the State Assembly of Rebekahs, held at the St. Nicholas Hotel in Springfield, on October 19th and 20th. They reported that they greatly enjoyed the colorful sessions and the knowledge they gained of the Rebekah Lodge's activities and achievements. At the coming Nov. 3rd meeting of the Lakeside Rebekah Lodge No. 82, to be held at the Antioch American Legion Home, at 8:00 p.m., both "Friends' Night" and "Elected and Appointed Officers' Night" will take place that evening. Mrs. Clarence Larson, Noble Grand, will be the presiding officer.

An imaginary trip "Around the World" was in store for some half dozen ladies, when Mrs. John Handschiegel, Grass Lake Road, entertained them in her home, October 20th. Mrs. Handschiegel hosted a "World Gift Party", with rare china, gold and silver goblets and other items from India; papiermache masks, and plaques from Africa; and unusual gifts from all over the world. There was a fascinating story regarding each item, and all the ladies present said it was a different, and most pleasant evening.

"The Investiture and Awards Ceremony" of Brownie Troop No. 210; Junior Troop No. 157; and Cadettes No. 237, Grass Lake area, will be held on November 19th, at the Grass Lake School gymnasium, at 7:30 p.m. The leaders are Mrs. Michael Ditzig, Brownies; Mrs. Ray Traves, Juniors; and

Mrs. Michael Wojnowiak, Cadettes. Mrs. Wojnowiak is also the organizer for the Grass Lake area in girl scouting. She extends a cordial welcome to all parents and friends to attend this ceremony.

College hit chat

KEVIN O'NEILL

Kevin O'Neill, a sophomore at the University of Dubuque sure didn't have the luck of the Irish with him during the opening game of the season on September 11. He broke his ankle in the third quarter of the game. His ankle is healing nicely and in about two weeks he'll be rid of the cast.

TOM MARTIN

Tom Martin, a 1971 graduate of Antioch Community High School, is a freshman at the University of Dubuque. He is in the starting line-up of the Varsity Football Team.

SEQUIOIT SMOKE STACKS

There were no Indians walking the halls and no painted windows and cheering in the cafeteria this week at Antioch High. Everyone had to really concentrate hard on their studies to get that last grade in by the end of the first grading period Thursday.

The SENIOR RESPONSIBILITY program started this week. This program was initiated last year as a way to get the students more involved in the governing of the school. Everyone who participates is entitled to a student responsibility pass which allows them to be in the halls without a pass from a teacher. In turn they are expected to use this privilege wisely and not abuse it. If you see someone breaking the rules of the school, you are expected to turn them in. They then will be summoned to appear before a student court which will decide the guilt of the person and his punishment. This

system has worked out fairly well so far. It is only open to Seniors right now but it might include Juniors later on.

FRESHMAN sports have never in the past been very well attended so this year they decided to do something about it. Tryouts were held Friday, October 15 for their own set of cheerleaders and spectator busses now go to all the away games. Their new cheerleaders are MARLA KESSLER, FAITH OLSON, MARLENE WELLS, and DEBBIE WILLETT. Congratulations girls, keep the Sequoit Spirit going.

Because of the extra long week end, many of the Seniors took trips to check out a few of the colleges. Augustana, MacMurray and Illinois Wesleyan are just a few of the colleges that sponsored a visitation day on Monday for them.

The JUNIORS are also getting prepared for college. The PSAT test was taken on Tuesday, October 19 to get them ready for future college qualification tests.

The SEQUOIA staff used the long week-end for a lot of hard work. They had workshops every day to get

things finished up to meet their fast approaching deadline.

The A.F.S. is very happy about their new money making project. They will be selling subscriptions for The Antioch News, and receiving \$1.50 for every one they get, so be sure to give them yours.

Barb

ST. STEPHENS TO HOLD FUN DAY

St. Stephens Sunday School will entertain friends for a fun day on November 7th at 10:45 a.m. The program will consist of songs, refreshments and releasing of balloons which will bare the names of all students and their guests and will ask the finders to please mail back. Each class has been working hard to pick a name and make posters giving a special meaning to this Sunday which St. Stephens will try to celebrate each year. The regular Sunday School Program consists of Christian study for each grade from kindergarten through high school at 10:45 every Sunday morning.

Moonlight may be romantic,
but it isn't very revealing.

There's a lot to be said for moonlight—but your yard shouldn't have to depend on it. It's too easy to overlook the half-concealed tricycle on the edge of the front walk. Or the unexpected step in your backyard path. An electric pole lamp, controlled by a photoelectric cell, will light up

automatically at dusk and bathe your sidewalk and drive in gentle but revealing light. Lighting at the curb or along the garden path can warn you of that unexpected step or unreeled hose. And an electric yard lamp controlled from both the house and the garage will illuminate the garage and outdoor storage area.

Make the outside of your home as safe and as cheerful as the inside—with electric yard lighting.

Obituaries

MR. JOHN D. ROBERTS-53 Yrs. old of 664 Hillside Avenue-Antioch, Ill. passed away suddenly from a heart attack at his home on Saturday Oct. 23, 1971 at 10:30 a.m. He was born January 22, 1918 at Wellsville, Ohio and moved to Salem, Ohio in 1959, then to Antioch, Ill. in 1969. He is a member of St. Stephens Lutheran Church at Antioch, and was a Sunday School teacher in that church. Mr. Roberts worked for Pickard, Inc., a china factory, at Antioch, where he was employed as assistant plant manager. He married Mary Lou Smith on October 21, 1942 in Wellsville, Ohio.

He is survived by his wife Mary Lou Roberts (Antioch)-3 sons David Roberts (Cleveland, Ohio)-Rick Roberts (attending Illinois Institute of Technology in Chicago)-Randy Roberts (at home)-1 daughter Miss Denise Roberts (at home)-his mother Mrs. Vashti M. Roberts (Wellsville, Ohio)-1 sister Mrs. Aileen (Harold) Milligan (Wellsville, Ohio) 2 brothers Edwin A. Roberts (Atlanta, Georgia)-William V. Roberts (Wellsville, Ohio)

Funeral services were held at 1:30 p.m. Monday in St. Stephen's Lutheran Church at Antioch. The Reverend Phillip O. Laurin officiated interment will be in Springhill Cemetery at Wellsville, Ohio. The family would appreciate memorials being given to the American Heart Fund. A second service will be held in Wellsville, Ohio.

MRS. RUBY H. TORKELOSON-63 Yrs. old of Millburn Road near Antioch, Ill. passed away Saturday Oct. 23rd at 7:50 p.m. in St. Catherine's Hospital at Kenosha, Wisc. She was born Feb. 17, 1908 in Chicago and moved to Round Lake, Ill. in 1945, then to Antioch in 1956. She is a member of Faith Evangelical Lutheran Church at Antioch. She married Kenneth L. Torkelson on March 2, 1939 in Chicago.

Survivors are her husband Kenneth L. Torkelson (Antioch)-2 sons Kenneth G. Torkelson (Antioch)-Gene L. Torkelson (Arlington Heights, Ill.)-2 sisters Mrs. Evelyn (Edward) Bohl (St. Paul, Minn.)-Mrs. Harriet (Harold) Bringe (Chicago)-1 brother Oliver Hanson (Hamet, Calif.)-9 grandchildren.

Funeral services were held at 1:30 p.m. Tuesday at the Strang Funeral Home in Antioch. Rev. Kent Schroeder of Faith Ev. Lutheran Church officiated, interment was in Hillside Cemetery at Antioch.

MR. RALPH C. JAMES, JR. 42 Yrs. old- 7718 Yates, Chicago, Ill. passed away on Wednesday, Oct. 20th, at Passavant Hospital in Chicago. He was born April 4, 1929 in Chicago and had resided there most of his life. He graduated from Harvard School for Boys, then the Oberlin College received his masters degree at University of Wisconsin (Madison)-and received his Doctors degree at Cornell University. He had taught at M.I.T.-the University of California at Berkeley, California, and the University of New York at Albany, New York, where he was Doctor of Economics professor. He had written several books on this subject.

He was preceded in death by his father Ralph C. James Sr. on Nov. 11, 1967. Survivors are 1 daughter Deborah Sue James & 1 son David Micah James (both of Long Island N.Y.)- his mother Mrs. Helen (Nee Miller) James of Chicago-1 sister Mrs. Winifred (George E.) Braddock (Glenview, Ill.)

MR. GURNEY K. McBAIN-50 Yrs. old of Bluff Lake near Antioch, Ill. passed away suddenly from a heart attack on Sunday Oct. 24th, at his home. He was born August 19, 1921 in Cedar Falls, Iowa. He had served in the U.S. Navy for 6 years and held membership in the Antioch American Legion Post No. 748. He was a self-employed carpenter by occupation.

He married Eileen Tompoles on Feb. 11, 1944 in Waterloo, Iowa.

Survivors are his wife Eileen McBain (Antioch)-3 sons Gregory McBain (Santa Barbara, Calif.)-Randall McBain (New Ulm, Minn.)-Donald McBain (at home)-2 daughters Miss Dawn McBain and Miss Lauri McBain (both at home)-his mother Mrs. Mary McBain (Waterloo, Iowa)-1 sister Mrs. Lois (William) Hume (Cedar Falls, Iowa).

Funeral services were held at 1:30 P.M. on Wednesday at the Strang Funeral Home in Antioch. Pastor Kent Schroeder of Faith Evangelical Lutheran Church officiated, interment will be in Memory Gardens Cemetery in Arlington Heights, Illinois.

HELEN NELSON IS HONORED

Mrs. Helen Nelson was honored with a special gift at the Annual Lake County Fall School Secretaries and Office Personnel dinner on Thursday, October 21.

The dinner was held at the Romana Inn in Highwood. Over 300 people attended, many from Antioch and surrounding schools.

Mrs. Nelson was honored for having served Antioch Grade School for over 22 years. She also serves Grass Lake School.

DENNIS KRUESCHER ATTENDING WISCONSIN STATE UNIVERSITY

Dennis R. Kreuscher, son of Mr. and Mrs. Warren Kreuscher, Route 2, Antioch is one of 4200 students enrolled at Wisconsin State University - River Falls.

Classes opened on Sept. 10th, and returning students found construction of a new Fine Arts Building and work on the Melvin Hall Amphitheatre, begun during the summer, to be well advanced toward completion.

HARMLESS ELECTRICITY...with the aid of a student, Northern Illinois University's Loren Weber shows that the voltage output of a Van de Graaff generator can be a "hair-raising" experience, but is harmless without electricity's lethal amperage. This scene is one of many used by Weber during the traveling demonstration on peaceful uses of nuclear energy, sponsored by the Atomic Energy Commission and presented by NIU and its physics department. The program, "This Atomic World" now is in its third year of visiting Illinois schools. NIU presented the demonstration 282 times to audiences totaling 225,164 during the first two years. Weber will present the program at the Antioch Community High School.

THIS ATOMIC WORLD

Students at Antioch Community High School will join a statewide audience of nearly 250,000 who have seen a traveling demonstration of atomic energy's peaceful uses.

The local students will view the program "This Atomic World," at 8:45 a.m. on Friday, November 19. Sponsored by the Atomic Energy Commission, the program has been presented the past two years in Illinois by Northern Illinois University and its physics department, in cooperation with Oak Ridge Associated Universities, a nonprofit educational research corporation of 41 Southern institutions of higher education.

As "This Atomic World" moves through its third year, NIU has brought it to 282 separate audiences totaling 225,164 persons in the previous two seasons. The demonstration, presented by Loren Weber of Northern's physics department, is designed to tell students about the basic principles and sources of nuclear energy, and the

atom's role in agriculture, industry, medicine, and research.

Student audiences receive clear explanations of the structure of atoms and the operation of nuclear reactors, plus concepts such as radiation, fission, and fusion. NIU's Weber completed extensive training at the Oak Ridge, Tenn., facilities of AEC and uses a variety of equipment to put across his message on atomic energy.

His demonstration equipment, designed specifically for the 40-minute program, is used to show how nuclear energy furnishes community electric power, how radioisotopes aid in treatment of disease and provide information about life processes.

In many of his school visits, Weber also will present talks to science classes, going into more detail on topics such as atomic structure, radioactivity, radiation biology, and nuclear science careers. Class presentations usually follow assembly programs.

Christian Science Churches

What does the life of Christ Jesus mean to people in today's world? An answer to this question will be given Sunday at Christian Science church services in a Bible Lesson-Sermon entitled "Doctrine of Atonement."

"God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life," a Bible text states.

From Science and Health with Key to the Scriptures by Mary Baker Eddy, this citation will be read: "Jesus aided in reconciling man to God by giving man a truer sense of Love, the divine Principle of Jesus' teachings, and this truer sense of Love redeems man from the law of matter, sin, and death by the law of Spirit, - the law of divine Love."

Services at First Church of Christ, Scientist, Beacon Hill, Rte. 173 and Harden Antioch. All are welcome.

Secretary of State, John W. Lewis announced the issue of a charter to American Transmission Products, Inc., 388 Lake Street., Antioch, Ill. Common 10,000 SHS NVP Terrence Ward, Kenneth Morton. To deal in telephone coils, etc. CORRES. Larson & Lumber 388 Lake St., Antioch, Ill.

MRS. E.W. OLSEN EXHIBITS NEEDLEWORK

Mrs. John C. Sturgis, member of the Woman's Board, admires a piece of needlework created by Mrs. Edwin W. Olsen of Antioch, which will be shown in the Needlework Exhibit and Lecture to be held from 10 a.m. to 4 p.m. both Wednesday and Thursday, Nov. 3 and 4, at The North Shore Country Day School, 310 Green Bay Rd., Winnetka.

Last year's show attracted crowds from all over the state and from neighboring states.

The public is invited to attend the event, which will include the construction of 14 rooms with needlework as the dominant theme, a lecture by Louis J. Gartner, Jr., creative crafts editor of House and

Garden Magazine, and shops featuring unusual jewelry, country clothes and imports, decoupage and gourmet foods. For information call the school at Hillcrest 6-0674.

Chairman of the Lake County Board of Supervisors, Ronald R. Coles signs a proclamation declaring the week of October 24 to be "Telephone Pioneer Week." Witnessing the signing of the proclamation is Dorothy Hansen, President of the Lakeland Council of Pioneers. Mayors of twelve Lake County communities have also signed similar proclamations.

TELEPHONE PIONEERS CELEBRATING 60TH ANNIVERSARY

The nearly 350,000 members of the Telephone Pioneers of America are celebrating the 60th anniversary of their organization this month.

Theme of the celebration is "Sixty Years of Human Service."

Throughout Lake County, some 500 members of the Lakeland Council of the

Pioneers are joining in the anniversary observance. Officials of about a dozen communities in Lake County have signed proclamations declaring the week of October 24 to be "Telephone Pioneer Week."

The Telephone Pioneers of America is the largest voluntary association of industrial employees in the world. Membership is comprised of active and retired telephone employees with 21 or more years of service.

Although they originally organized largely as a social organization, Pioneers today are active in community service projects of almost every description.

The Lakeland Council has concentrated on projects to help the blind and mentally retarded. Under the guidance of former council president Joe Hogue, an Illinois Bell conduit inspector in Waukegan, the group has made several "audio balls." An audio ball looks just like a standard softball, but it contains a rechargeable beeping mechanism.

By listening for the beep to gauge distance, blind youngsters have learned to play relay games with the ball. The Lakeland Council has donated several of the balls to the Jefferson School in Mundelein for use by blind and partially sighted children.

Several of the council's members repair "talking book machines." These are special phonographs used by visually handicapped persons to listen to recorded books and magazines.

Several times a year the Lakeland Pioneers visit Waukegan's Bowen Park Work Activity Center, a workshop for mentally retarded adults. Council members host parties for the retarded persons on Christmas and on St. Patrick's Day. In the fall, the council organizes a picnic for them.

Nationally, the Pioneers are engaged in hundreds of other service projects. Pioneers make an estimated 850,000 bandages for cancer and leprosy patients every year; they visit and entertain patients at veterans' hospitals and homes for the aged; inner city youth are tutored in difficult subjects; and nearly every council collects food and clothing for needy families.

FREE CHURCH

PRESENTS "LIKE A MIGHTY ARMY"

A new dramatic film, "LIKE A MIGHTY ARMY", the down-to-earth true story of a man in tune with his times, will be shown at the Antioch Evangelical Free Church, Tiffany Road at Highview Drive on October 31 at 7:00 P.M.

The social revolution among young people today is frightening in many of its aspects. Even the church is being seriously questioned as to its existence and activity. Instead of responding with bewilderment and fear, a handful of people in Ft. Lauderdale, Florida led by their dynamic young minister, Rev. James Kennedy, committed themselves to the principle of providing life-changing answers for the people of their community.

In nine short years the Coral Ridge Church has become one

of the fastest growing congregations in the world, growing from 17 to more than 2,000 members and needing three Sunday morning services to handle the crowds.

This exciting true story has been made into the film, "LIKE A MIGHTY ARMY" by Gospel Films, Inc., of Muskegon, Michigan. Starring in the role of Dr. Kennedy is Chris Robinson who is best known for his role as an Air Force Sergeant in the television series, "Twelve O'Clock High". As Jim Kennedy, Robinson gives the best performance of his illustrious career.

"LIKE A MIGHTY ARMY", an inspirational film for the family is the latest release of Gospel Films, Inc., producers of "THE TONY FONTANE STORY", "FLIP SIDE" and "A FOUR LETTER WORD".

ROD & CUSTOM CAR SHOW

More than 400 of America's most creative hot rods, custom cars, racers and dragsters will be on public display November 25 through 28 at McCormick Place, Chicago, in the 10th Annual International Championship Rod and Custom Car Show. The

LAKE COUNTY DEMOCRATS OPEN 1972 CAMPAIGN

Lake County Democrats will fire the opening guns of the 1972 campaign at a Central Committee meeting to be held at 8 p.m. next Thursday evening, October 28, at the V.F.W. Hall, 124 South Utica Street, Waukegan. The meeting, to which the public and all Democratic Election Judges have been specifically invited, will hear a report from the Party's Candidates Committee as to the progress it has made in finding candidates to represent the Party in both the April County Board and the November General Elections.

The Candidates Committee, co-chaired by Leo Selenak of Waukegan and Harold Goldman of Highland Park, expects to introduce a number of next year's candidates or prospective candidates.

The meeting will, according to Herbert L. "Hub" Stern, Chairman of the Lake County Democratic Party, concern itself primarily with County matters. They plan to have a panel discussion which will be chaired by Earl Yaffe, who is Chairman of the Party's Issues Committee.

Stern indicated that he would also use the occasion to advise Committeemen and other Democrats as to the important 1971-72 election dates and election law changes. "We will also have petitions on hand," Stern said, "for those planning to run for election." Stern also made a plea to all those interested in running for public office to step forward and identify themselves. "We are still looking for good candidates," Stern said. "We want candidates who are generally interested in improving the caliber and quality of the government in Lake County, and who will be a credit to the Democratic Party."

competition returns to the lake front exposition after several years at the International Amphitheatre while McCormick Place was being rebuilt.

Approximately 100,000 car fans are expected to attend the event to view cars and to talk to builders and owners and outstanding drivers such as Mario Andretti, Don Garlits and the Ram Chargers team from the west coast.

Custom builders of 1971's outstanding cars from throughout the U.S. and Canada have entered the competition in various classes, including pre-war rods, dunebuggies and an array of 200 mph-plus super stocks and

AA dragsters. In addition to competition cars, feature exhibits include national champion Gene Snow's top Funny Car, the fanciful Phone Booth car and a series of wild "Zingers" with mammoth motors that dominate car proportions.

The show opens Thanksgiving Day and continues through Sunday, Nov. 28, with hours each day 12 Noon to 11:00 p.m. Special activities include a beauty contest, the MPC Model Car Contest, and on-stage performances by five outstanding bands - Ask Rufus, Jericho, Us, the Tammy Novak Affair, and the Stanley Steamer.

1972 MARCH OF DIMES GIRL

Pretty little Christina Marie Granato, the 1972 Metropolitan Chicago March of Dimes Girl, happily displays her garden of lollipops which proclaims the March of Dimes message: BIRTH DEFECTS ARE FOREVER UNLESS YOU HELP. Christina, better known as Tina, did receive help. On August 18, 1965, Tina was born with a horseshoe type of congenital defect of her kidneys. Associated with this birth defect was a total destruction of the right half of the kidney and a dilation of the left half of the

horseshoe-shaped kidney. At 6 months of age, Tina was admitted to Presbyterian-St. Luke's Hospital, and on March 30, 1966, the right half of Tina's kidney was removed. In June of 1970, Tina again faced surgery, and at this time a plastic procedure was performed on the remaining left half of the kidney. Although Tina still makes periodic visits to her doctor, she can look forward to a healthy and happy future.

Tina is the daughter of Donald and Natalie Granato of Broadview, Illinois. She has three brothers and one sister, ranging in ages from 7 years to 6 months. According to Mrs. Granato, all of the Granato children, except 6-month-old Cammi, are already saving for their college educations by doing modeling jobs. Tina's biggest assignment in her modeling career was posing for the cover of Spiegel's Catalogue.

Tina's birth defect has not crimped her activities. She is now a first grader at Lindop School in Broadview, and her hobbies include drawing, painting, reading and baton twirling. In fact, while Tina was in the hospital recovering from her second operation, she sent home to her brothers many of the gifts which she had received, including books and original paintings.

Fortunately, Tina's story has a happy ending. But not all of the quarter of a million infants born each year with a significant birth defect are as lucky as Tina. The March of Dimes wants to help all the Tina's of the world by preventing birth defects. And, that goal can be accomplished, if you help.

THE RIFLES OF L. C.

With 4:50 left in the game, Ron Jurewicz plummeted into the end zone to claim the only touchdown of the evening as the Lake County Rifles defeated the Delavan Red Devils 6-0 Saturday at Delavan.

The game was one conducted by the defenses as they both made good use of the offense's errors. Lake County fumbled four times and had three of them recovered by Delavan. Delavan lost one of their two fumbles to the Rifles, and was intercepted 3 times, twice by Tony Bertuca. This makes seven interceptions for Bertuca in his first season with the Rifles.

The Rifles now will have to play the Rockford Rams this Saturday to break the tie for the Southern Division Championship. Rockford chalked another win up to its record this week-end by defeating the Manitowoc Chiefs 21-14 in Manitowoc. The Rifle Rockford game will be held at Boylan Field in Rockford and tickets for the contest went on sale at both offices Monday.

Delavan had more total yards than the Rifles, topping them 198 over 176, but 117 of those yards were due to the passing arm of Bob Berezowitz, the Red Devil mainstay. The Rifles, on the other hand, were top heavy in the rushing column with 149 yards to their credit there.

Karl Maio was the real workhorse for the Rifles as he rushed for 103 yards in 18 carries. "Offensively, we still have our problems in the air,"

said Head Coach Jerry Sandberg. "Our new offense using three men in the backfield seemed to work pretty well for us in the second half."

But the Rifle defense, led in tackles by Don Rowden and Tony Bertuca, was the unit which earned the victory for the squad. With :44 left in the game, the Red Devils had managed to get down to the Lake County 4 yard line following two quick pass completions by Berezowitz. Berezowitz tried four times for a pass completion in the end zone, but had it miss its target, or had it batted down for no completion, and the Rifles took over on their own four yard line with :41 remaining.

The fact that Delavan came so close to scoring may not make the defense look like they deserve all the credit they seem to be getting. However, they prevented any scoring threat prior to that time, and did not give up a first down in the second half until there was 3:36 left in the ballgame.

This victory also marked the Rifles first victory on the road this season. And the breaking of that jinx has come at a very advantageous time as the Rifles travel to Rockford this week-end.

The Rifles were defeated by the Rams 14-6 earlier in the season when the Rifles played away. A few weeks ago, when the Rams came up to take on Lake County, they were defeated 20-13. The tickets for this Saturday's game were \$4.00 with game time at 7:30 p.m.

Ken Mazzuca, President of the Rotary Club, greets Mr. Paul Cahill of CBS television who showed a film dealing with the growing use and abuse of drugs at the Club's Third Birthday Banquet.

CONOLLY OPENS BID FOR SENATE SEAT

State Representative John H. Conolly announced that he will seek election to the Senate post soon to be vacated by Senator Robert Coulson.

In making the announcement, Mr. Conolly said: "Nothing could induce me to leave the House except for the opportunities provided to be of even greater service to the people of my district presented by election to the Senate. I have served my district-and in this State-for nine years in the Illinois House of Representatives. During this period, I have occupied leadership positions on a number of the legislature's important committees. This experience provides a unique opportunity to become acquainted with Illinois law and lawmaking, and with an exceptional background to further the interests of the people I represent by membership in the Senate."

Conolly has been the

principal sponsor of significant legislation during his five terms as a State representative. Among other legislation, he has been an active proponent of bills dealing with environmental safety, mental health, and legislation to strengthen local government.

Mr. Conolly has been instrumental in seeking State support of the Waukegan Port District. Also, he has been a strong advocate of reapportionment of county government. An effort to bring about the most efficient and responsive form of county government.

Conolly took particular note of the service rendered by Senator Coulson. "Bob Coulson has compiled an enviable record of service in the Senate. This record represents a big challenge-yet I welcome both the challenge and the opportunity to represent in the Senate the new 31st District," Conolly said.

MICHIGAN STATE TO HOST INTER-ACT CLUB

The Antioch Community High School Inter-Act Club, which is sponsored by the local Rotary Club Chapter, will hold their third annual University Weekend trip on Nov. 11-14, at Michigan State University, East Lansing, Michigan.

Previously the club had visited Iowa State University and the University of Illinois Champaign.

Mr. Michael Warren, Rotary Club Sponsor, said that the purpose of the excursion is "to provide high school boys with the opportunity of visiting a large college campus and observing the academic and social programs there."

The visit will be commenced

on Friday with a conducted tour of the campus, films about the University, a discussion of the criteria and procedures for admission and a visit to classrooms.

On Saturday, the athletic department will host the boys at the Michigan State-Minnesota football game.

Housing for the trip will be provided with the assistance of the Intra Fraternity Council. Each of the fraternities will house 4 to 5 boys each. Acting as chaperones will be Mr. Robert Becvar and Mr. Vernon Plotz.

The cost of the trip is \$20 and furnishes everything except incidentals.

Time Change - Sunday, October 31st

The Chicago Motor Club-AAA reminds all motorists to be extra alert when Standard Time arrives at 2 a.m. Sunday, Oct. 31.

It takes several days for drivers to become accustomed to the earlier darkness that accompanies the time change. During this transitional period, a few simple precautions will guard the safety of motorists and pedestrians.

Rush hour commuters are urged to take special note of these tips:

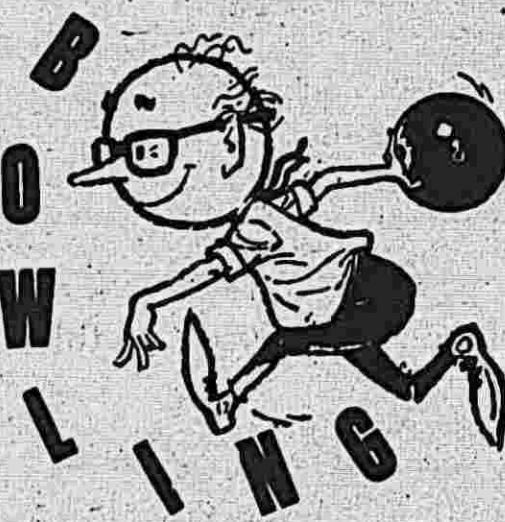

-At least for the first few

days of Standard Time, reduce driving speed and increase following distance.

-Be especially aware of pedestrians; they probably will not be accustomed to the time change.

-Remember not to look directly into glaring headlights. Center vision should be focused on the right edge of the traffic lane, while oncoming lights should be kept in the side vision.

The onset of earlier darkness also is the time for motorists to have headlights and windshields cleaned for maximum visibility, and to make certain taillights, turn signals and high and low beams are functioning properly.

Tuesday Night Golf League Holds Banquet

The Tuesday Night Golf League had their annual banquet Saturday, October 23rd at Lorenz's Smart Country House.

As in the past, the ladies were in attendance.

The social hour and hors d'oeuvres started at 6:30 p.m. and dinner was served at 8:00 p.m.

Following the dinner, Jack Fields was master of ceremonies for the program. Jack did an outstanding job. President Bill Wilton gave a short welcome address and then presented the following awards:

League championship to Gibbs and Jenson Carousel

team. Members of the team are Ray Jenson, Bill Alm, Bill Christensen, Dick Erickson and Ed Thamerus.

The runner-up team was Wilton T.V., and its members are: Roy Witek, Morris Pickus, Tom Haley, Bill Wilton and Rich Stroner.

Third place went to State Bank A and its members are Pres Reekers, Jim Leinhardt, Les Sorensen, Fred Bobzein and Albert Bucar.

The golfer of the year award was presented to Jim Fields, a member of the State Bank I Team. On five different league evenings, Jim had the low gross score and finished the season with a three handicap.

The tallender award went to

the A&B Printing team and its members are: Bill Nauman Bill Seemann, Walt Shepart, Dan Dugenski and Roger Andrews.

There was a special award given to the State Bank A, the most congenial team, one that is courteous and follows all the rules to the letter.

The final league standings for the 1971 season are as follows:

| | |
|-------------------------|------|
| Gibbs & Jenson Carousel | .54 |
| Wilton T.V. | .53 |
| State Bank A | .52½ |
| Lorenz's | .45 |
| 1st National Bank | .45 |
| Cornellus Real Estate | .42 |
| Walsh's All Seasons | .41½ |
| State Bank 1 | .40 |
| Shoe Box | .39 |
| Teresi-Chev. Olds | .37½ |
| Carey Electric | .35½ |
| Kings Drugs | .35½ |
| Antioch Savings & Loan | .35 |
| A&B Printing | .31½ |

Sophomores Swat L. Zurich Bears

The Sophomores notched their first win against Lake Zurich 27 to 8. The game was started with a 49 yard romp by Brandon Abear. Lake Zurich had been in the habit of using the on-site kick. Abear was ready and was only 6 yards short of pay dirt. After this brilliant run we could not score. The ball rested on the one yard line where we turned it over to the Lake Zurich Bears.

Our well disciplined Defense held and took over the ball on the 47 yard line of Lake Zurich. Darrell Channell carried four times to set up the TD for Bob Bailey on a 6 yard run. Darrell carried 22 yards on this drive. A penalty against Lake Zurich also provided for a large share of the between the 47 yard line and the goal line. The conversion failed.

The kick-off with a penalty against Antioch placed the ball on the Antioch 45. The Bears then ran 10 plays without a huddle which netted a score for them and a 2 point conversion. At the end of the

ANTIOCH "B" 32-LAKE ZURICH 13

The Antioch freshman "B" football team bounced back with a whopping 32-13 victory over Lake Zurich after last Tuesday's heart-breaking loss to Zion Benton by a score of 6-0. In the Zion game the Sequoits experienced frustration after frustration - including a 40 yard T.D. pass from Jeff Harceg to Karl Blumenschein that was called back on the first play of the game. Throughout the game the Sequoits were able to move the ball, but never had quite enough offense to cross the goal-line. The Sequoit defense held Zion offense to little gain except for a 60 yard run that went for a touchdown. As the game came to a close, the Sequoits found themselves inside the Zion 10 yard line, and when the final gun sounded - the Sequoits had been stopped on the Zion Benton 2 yard line.

In the Lake Zurich game the Antioch team left no doubt that they had come to play football. The Sequoits ran nearly 50 offensive plays from scrimmage and gained 290

yards of rushing offense. Added to the rushing total was another 97 yards gained on kick-off and punt returns. The win was a team victory - with all of the Sequoit running backs adding their contribution: Jeff Schmidt-1 carriage-13 yards; Rich Giorgi 10 carries-47 yards; Dale Eastman 5 carries - 48 yards; Jeff Harceg 6 carries - 39 yards; Jerry Popp 2 carries - 9 yards; Karl Blumenschein 3 carries - 11 yards; Ron Sheedlo 3 carries - 79 yards; Gary Thompson 8 carries - 43 yards; Tom Chrichton 1 carriage-3 yards; Larry Kitterman 5 carries - 10 yards. Scoring for the Sequoits were Ron Sheedlo-2 touchdowns (1-23 yard run and 1-30 yard run), Jerry Popp (1-6 yard run), and Jeff Harceg (1-3 yard run). Extra points were scored by Rich Giorgi, Dale Eastman, and Jerry Popp. Credited with playing a good game on the offensive line was Center - Scott Vazquez, Guards - Jeff Gutowski, Steve Olsen, Tackles - Chuck Potter, Greg Kennedy, and Ends - Jeff Zersen and Carl Huege.

FRESHMEN LOSE ONE, TIE ONE

Antioch's Freshman football "A" team suffered a humiliating defeat to Zion last Tuesday and then accepted an equally humiliating tie with Lake Zurich on Saturday. The Zion score was 52-0, one of the worst defeats ever for an Antioch team. The junior Sequoits were completely flat after trying so hard against Warren a few days earlier. Zion scored at will and piled up huge yardage both through and around the Antioch defense. There were no bright spots for Antioch as the team failed to

pose even one scoring threat. It was a lethargic performance at best.

The Lake Zurich game showed little improvement offensively by Antioch but the defense kept the Bears in check. Again the home team failed to generate any signs of offense as the team compiled only 68 total yards. The linemen failed to open holes and the backs ran with little speed or punch. A better performance is necessary if the team is to win another game. Antioch's conference record is now 3-1-1 and the team has probably eliminated itself from contention for the title. It still has a chance, however, to finish close to the top if it can defeat Wauconda and Round Lake in its last two games.

1st quarter the score was 8-6 Lake Zurich.

After the ensuing kick-off the ball changed hands with neither team scoring. Mike Gutowski then connected on a pass covering 19 yards to Jim White. After two plays Darrell Channell took it into the end zone from the four yard line. The conversion was good making the score 13 to 8 Antioch.

A fumble recovery on the Lake Zurich 14 yard line on the kick-off gave Antioch another score after one play on a fourteen yard run by Darrell Channell.

This ended the scoring until the fourth quarter when Tom Pocrnich took his team from the 35 yard line of the Bears to the end zone with 1:53 left in the game. On the drive John

Meyers and George Davis and Pocrnich himself shared the ball tolling duties. John Meyers took it from the one. George Wieczorek kicked his third extra point of the day. The final score was 27-8 Antioch.

Antioch's leading ground gainer was Darrell Channell with 102 yards. Darrell's output was supported by 44 yards from Bailey.

Antioch totalled 302 yards for the day and a high for the season. Jim White caught 3 passes for 38 yards.

Jeff Max led the defense with 14 tackles. The team deserves our compliments. The

defense and offense did an outstanding job. The sophomore Sequoits simply got together and played a good ball game.

SEQUOITS FALL TO BEARS

On Saturday, the Sequoits traveled to Lake Zurich to face the Bears. The game was a long one for the Antioch squad as they were humbled by a well oiled Lake Zurich machine 36 to 0.

The Sequoits could not generate much offense and the defense thinned by injury, put up a game effort.

The first series set the mood of the day as Antioch was guilty of a rash of penalties and on fourth down needed 40 yards to get another shot.

After an exchange of punts Lake Zurich drove from their 28, on a sustained march, to score. Rich Rietz, Bear fullback, took it over from the 5, but was stopped on a try for two and Lake Zurich led by six.

Following the kick the Sequoits could not dent the Lake Zurich defense and were forced to punt.

On second down, the Bears unleashed Don West for a long gainer, but the play was nullified by a penalty. Undaunted, the Lake Zurich quarterback, Pat Murray, turned to the pass.

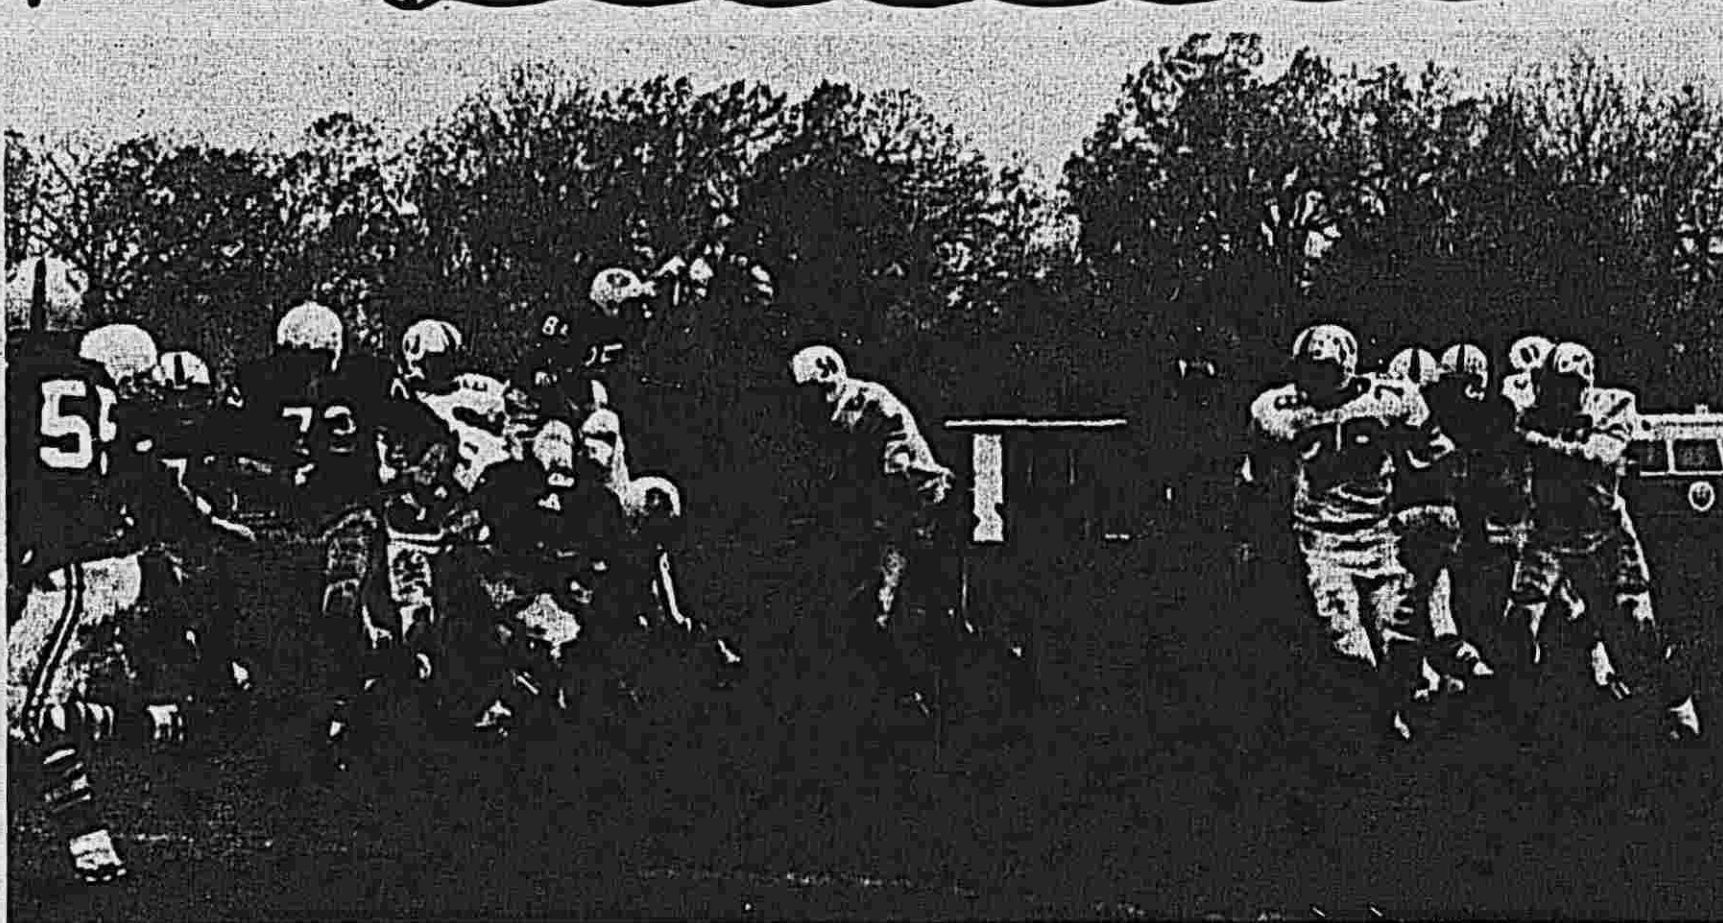

The Sequoit secondary was penetrated by long strikes to Dobner and Mathews and found themselves backed up to their 1 yard line. Murray then ended the drive by going around end for the TD. John Zarr took the ball over for the two-point conversion to bring the score to 14-0.

The Sequoits, who had previously unveiled a new offense, couldn't make it go for first down yardage. Then, when Chuck Chapman was hit hard, he gave up the ball and Lake Zurich recovered.

After West was dropped for a loss, Murray again went to the air and hit Steve Clements, who was forced out at the 9. After more action the Sequoits were detected interfering with a Lake Zurich split end and the Bears were given a first down at the 5.

Bear quarterback, John Zarr, covered the distance in one play and used the same call to get a two-point conversion.

With the score 22-0 the Sequoits again went to their wide-set, shotgun offense. The

No. 87 Jim Revell (partly obscured) gets off punt as Bear defender attempts block.

(Photo by Dave Rush)

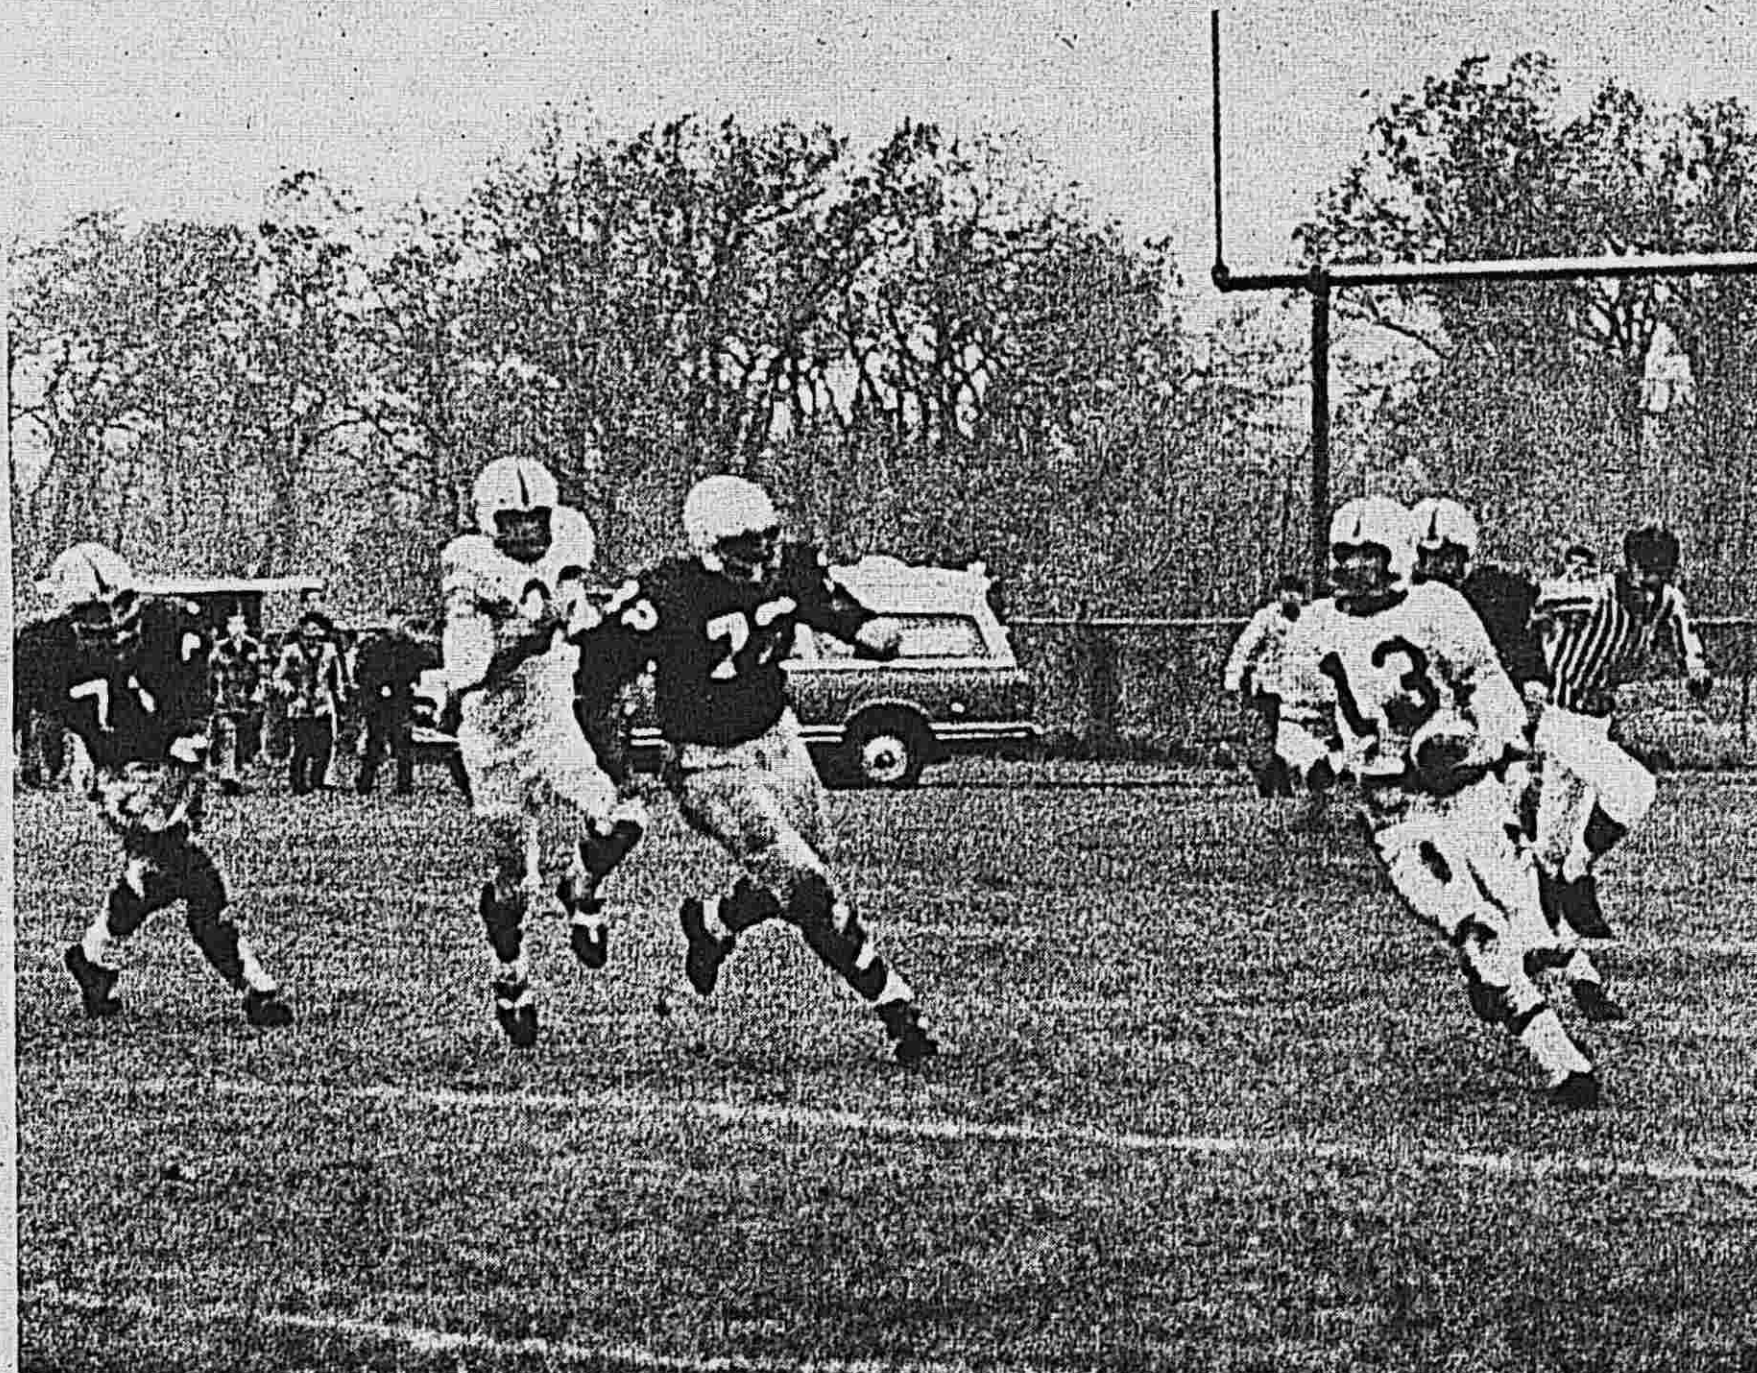

Lake Zurich club was not fooled and constantly stormed in to sack or pressure Antioch quarterbacks Fred Popp and Chuck Chapman.

The half ended with Chapman scrambling from would-be tacklers before being dropped as the gun sounded.

The second half did not see a change in the Sequoit fortunes. Although they played with determination, they were no match for the Bears. Lake Zurich added two more scores and blanked the Sequoits.

The new offense installed for this game to relieve a sagging point total didn't show great returns. While there were some good individual showings, on the whole, the Sequoit gridders were outplayed by a strong Lake Zurich club. The Bears with only one loss are now in second place behind Warren.

No. 13 Fred Popp scrambles to elude Lake Zurich defenders.

(Photo by Dave Rush)

12th MAN

We were beaten pretty badly by Lake Zurich last Saturday. We couldn't score against them and we couldn't stop them. About the only good thing I can say about the game is that nobody from our crippled team had to be carried off the field.

The new polecat offense that we employed should have worked, but we didn't execute it very well. We didn't block well at all.

We didn't play defense very well either. We were letting ourselves get blocked out and took too many shots instead of giving them.

Tom Pfahler and Bill Gaa both did a good job defensively. Gaa who plays in the defensive backfield got 11 tackles. That shows you that our line was not doing the job.

We have two games left and I think we are capable of winning both of them. It just depends upon how bad we want them. We could finish with a 5 and 3 record, which is pretty respectable.

MIGRATING GEESE HAZARDOUS TO PILOTS

Lyle K. Brown, Director of the Great Lakes Region, Federal Aviation Administration, today reminded pilots that this is the season when thousands of geese will be migrating from the north throughout the Great Lakes Region, which consists

of the states: Michigan, Wisconsin, Illinois, Ohio, Indiana and Minnesota.

The Great Lakes Region has two main routes which the geese seem to prefer - one being in the vicinity of Lake Michigan and the other

following the Mississippi River.

The FAA requests pilots observing flocks of geese to call the nearest flight service station and if possible report position, direction and altitude of the geese. Such information could possibly prevent an accident.
